

TRANS OCEAN
MARINE GENERAL SURVEYORS & LOSS ADJUSTERS WLL

CR No. 109183/01

Transocean Marine General Surveyors & Loss Adjusters WLL, a newly formed loss surveying, assessing and loss adjusting firm in Bahrain is an Associated concern of Mumbai, India based **Transocean Marine & General Survey Agencies**.

With a rich collective experience of over 50 years in the field of Marine Cargo Surveying, Marine H & M Surveying, Fire (Property) & Engineering Surveying and Assessing, the second generation of the company has expanded its roots in the global market with first branch opening up in Bahrain.

As Survey Settling Agents and Claims Surveying Agents for some of the top most international insurance companies & Claims settling agents, we have rich experience of not just handling wide variety of claims but also in understating different terms and conditions that form part of the General Insurance Policies that are underwritten across the Globe.

We are considered as pioneers in matters related to marine insurance claims and we are not only called by lawyers but also by insurance companies to testify as expert witnesses and our reports are generally used as expert evidence in the courts of law.

Considered at the vanguard of Loss prevention and Risk Minimization surveys and many MNCs have hired our services to lower their loss ratios & Claims Ratios. Our opinions on packaging and transportation safe practices are widely appreciated and more and more clients, their Insurance Brokers and

insurance companies are approaching us to work in conjunction with them to minimize their transportation losses. Most of our team members are invited by College of Insurance, Mumbai as well as National Insurance Academy, Pune and IISLA (Indian Insurance Institute of Surveyors & Loss Assessors) as visiting faculties on Marine Insurance & Fire (Property) related topics. We are also associated with Oasis Training Institute, Bahrain to impart training related to marine Insurance & property insurance to its candidates.

Vision: -

We aim to be one of the best Marine surveying & Property Loss Adjusting services provider and a global "one stop solution" catering to insurance and liabilities market worldwide.

History Of Transocean Marine & General Survey Agencies:-

Transocean Marine and General Survey Agencies, was started under proprietorship of Mr. A.M.Gawarikar, Ex-Indian Navy Artificer, and under his able leadership it has expanded from Mumbai to more than 6 cities across Gujarat and Maharashtra to Surat, Vadodara, Ahmedabad, Gandhidham, Kandla and Mundra.

Mr. A.M.Gawarikar is an “A” category surveyor recognized as trail- blazer Cargo, Property & Hull & Machinery Insurance Surveyor. He is invited to National Insurance Academy, Pune and various training centers & by private & public sector insurance companies to exchange his views on Cargo, Hull & Machinery Claims, underwriting and project cargo Insurance management. He was asked to write course book on the subject “cargo loss prevention” & this book is used as course book for associate ship examination of Insurance Institute India, Marine Branch; he has written 2 other books on Cargo and H&M for Insurance companies, used for their internal training purposes.

It now caters to all its principals on Pan-India basis from its Navi Mumbai Head Office.
